

# Yes ma'am

"Suck my shit"

Shannon says sitting on his face

"I can't breathe"

"Take breaths in between swallowing my sweets from my treasure."

She replied seductively

Here nourishments drips down his face as he continues to suck on her clit. Trolling his tongue deep inside her in a nice circler motion.

She moans loudly riding his face and tongue like a cowgirl.

Bouncing her ass harder and harder in his face.

"That's a good boy," Shannon says while moaning enjoying his face.

"Now you are going to give me that what's yours you understand me!"

"No, I can't I will get in trouble," he responded.

"What you say, boy?"

As she enjoys his face leaving a waterfall of wetness while sliding his tongue deeper inside her

"Is it mine?"

"Fuck okay yes ma'am"

He lays there with whip marks across his body and beard soaked while chained to the bed.

"I'm riding it raw," Shannon says with a grin.

"Wait please nooo ahhhh..."

She grabs his neck and slides deep within him so she feels it deep within her stomach

"You're going to take it and like it." Says Shannon.

"Ahhh fuck okay yes ma'am"

She slowly slides on his shaft as her legs shake in pleasure uncontrollably.

"Ahhh ahhh mmm" he moans

Hypnotized by her flowing waters

She then starts slow and steadily goes faster.

“Mmmm yes this shit feels so good!” as her eyes roll back bouncing in excitement.

“Mmmm fuck yes!”

He lays there taking it as she goes faster and faster and now at an incredibly fast rate

“Fuckkkk!” He yells

“you are going to make me cum inside you raw!!!”

“Mmmm yes that’s what I want. Fall in my whirlpool of enjoyment” Shannon responds.

“Please no no I’ll be in so much trouble please no ma’am nooo”  
He replies in mercy.

“Mmmm yes beg I was you to keep begging for mercy!!!”

“Ahhhh” he breaths out heavily

“Please I’ll do anything else I’m about to nut... ahhh fuck... ahhh

Please!!!” He shouted

She looks at him deep in his eyes sitting with him deep in her stomach and says

“Your mines forever now.”

As she slowly rises sticky and warm leaving his shaft covered in sweetness.

She licks her lips giving an evil smile and walks to the shower.
